HELLO FOLKS. Another year has rolled around in this world of struggle and strife, and though we are helping Uncle Sam in a defense plant, we have still found time to grow our bulbs, and are again sending you our list of fine clean healthy stock.

To our old customers we want to say thanks for the wonderful cards we received from them; and to the new ones we are sending our list to, all we can say is that this year was a wonderful year to grow bulbs. We have harvested the finest bunch of Glad Bulbs we have ever grown.

If you are looking for bargains, don't look through these pages; but if you are looking for a nice clean healthy stock, you will find them here. We could go on and on and praise our stock for pages and pages, but we will let them do their own praising by giving you good blooms.

TERMS

Please send cash with order. No order accepted for less than \$1.50, nor later than the First of April (April 1st.). Please do not send postage stamps, as we cannot exchange these for cash.

The bulbs will be sent prepaid, either by express or parcel post, as we think best. If you care to pay your own transportation, just mention it, and we will add bulbs to the amount it will cost you.

I personally, will make every effort to make each purchase completely satisfactory. If for any reason you are not satisfied with the bulbs when you receive them, you may send back the stock at my expense, and I will Guarantee to refund your money without any questions asked.

Under no condition, will we substitute other bulbs without your permission, if we do not have the variety you order.

GLADIOLUS INFORMATION

Large bulbs are $1\frac{1}{4}$ inch in diameter or larger. Medium bulbs are from $\frac{3}{4}$ to $1\frac{1}{4}$ inches, and Small from $\frac{1}{2}$ to $\frac{3}{4}$ inches.

DISCOUNTS

You may select bulbs to the amount listed below, or give us a list to select from.

10% on orders from \$3.00 to \$5.00.
 15% on orders from \$5.00 to \$15.00.
 20% on orders from \$15.00 to \$40.00.
 25% on orders from \$40.00 and up.

QUALITY STOCK

Cheap prices are only made possible by inferior methods of growing, or by careless handling of stock after digging. Such practices will be inevitably reflected in the quality of the flowers produced. We have tried to meet fair competition, and at the same time offer stock that is of the highest quality obtainable. Our prices we believe, are as low as those of any other reputable grower, and our discounts even greater. All we ask is a fair trial.

To get acquainted, we are going to give to every one who sends in an order to the amount of FIVE DOLLARS or more, YOUR CHOICE of either of the following, FREE AND WITHOUT COST TO YOU, besides the other extras: One large bulb or two small bulbs of WHITE GOLD. One large bulb or two small bulbs of MARSEILLAISE.
